

OCTOBER NEWSLETTER

Miss Rhiannon - Room 7

The first month of school has flown by! Ms. Nicole, Ms. Kim and I have had a great time getting to know your children! I believe we are going to have a wonderful year! Thank you for all of your support and cooperation in helping to make this a smooth transition into the school year. During the month of October, we will learn about fall, leaves, the importance of fire safety and celebrate Halloween! The children will listen to numerous stories to learn about our October themes. We will discuss what is inside of a pumpkin and look inside of a pumpkin! Our activities will include leaves, a fire safety craft, pumpkin patch and Halloween crafts!

As a reminder, please send in a nut free snack, if it's processed in a facility that has nuts in it, we cannot open it. Also, have your children go to the bathroom before class begins and continue to practice independence at home.

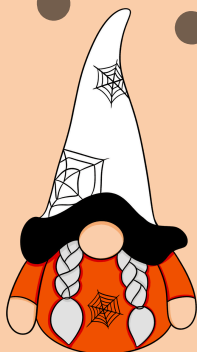

WHAT WE'RE LEARNING
