

# Mrs. Sciacca's October Class News

The first month of school has flown by! Mrs. Hicks, Mrs. Elvira and myself have had a great time getting to know your children. I believe we are going to have a wonderful year!! Thank you for all your support and cooperation in helping to make this a smooth transition into the school year!

## Reminders:

- Please send in a nut free, healthy snack and water.
- Please have children use the bathroom before class begins and continue to practice independence at home.

# What we are learning this month ...

During the month of October, we will have teddy bear day, explore leaves, experience Fall, learn about the importance of fire safety and celebrate Halloween!

Through reading, we can discover and learn vital information. The children will listen to numerous stories to learn about our October themes.

Our discussions in Science will center on the exploration and discovery of what is inside a pumpkin!

Our math lessons will include counting, sorting various objects and creating a graph identifying our favorite Fall leaf color.

Our activities will include leaves, a fire safety craft, pumpkin patch and Halloween crafts.
