

## NEWSLETTER - MARCH

Welcome, March! I know some of us are all still buzzing about our "event filled" February! I think this month should be just as fun filled for the children and families.

This month we will be celebrating Read Across America, which coincides with the ever so popular author, Dr. Seuss' birthday. Dr. Seuss is best known for his rhyming books and "wacky writing skills". On March 5<sup>th</sup> we will be hosting a birthday party in honor of Dr. Seuss' birthday (3/2). We ask that you dress as Wacky as you can on Wednesday, March 5<sup>th</sup> to help us celebrate! What's a birthday party without cake?

March 5<sup>th</sup> is also the start of our Lenten season. The children will be learning about lent, and Ash Wednesday. This is going to be a very busy week. The 4-year-old classes have been counting down to the 100<sup>th</sup> Day of school, and it's finally here! On March 4<sup>th</sup> the children will be dressing up as "100-year-old people". This will surely be a picture-perfect day.

During the week of March 10<sup>th</sup>, the classroom teachers will be celebrating all Community Helpers. During this week, the children will be learning about the different Community Helpers and how these people play such a significant role in our daily lives.

There are lots of opportunities to get dressed up this Month. St. Patrick's Day is notorious for wearing green clothing. Everyone's a little Irish on St. Patrick's Day.

Mark your calendars for Donuts with Dad at the end of the month. The children and Dads will have a special morning filled with arts and crafts, toys and of course donuts!

We are all looking forward to this fun and exciting month.
